NJHS News

National Junior Honor Society has several new members, and our KMS chapter is ready to get to work in our Kenton community. More news will come next month about elections and upcoming plans.

For the past several years, the KMS Chapter has helped with the Lake of Lights Christmas lighting event. We are looking forward to their help again this year. Set up begins the first weekend in November and continues every weekend of the month. This provides an opportunity for the NJHS members to perform a community service and raise funds for their chapter at the same time. For each three hours of volunteer time donated, the chapter receives one share of the gate proceeds from the event. Parents, your volunteer hours can count into the total for NJHS as well. If you are interested in helping, ask your son or daughter, or contact Amy Long, the NJHS advisor for more information. Lake of Lights will open Friday, November 24 and is open nightly from 6-9 P. M. through Tuesday, December 26th. See facebook for special events.

Red Ribbon Week

This year's theme was "Your Future is Key so Stay Drug Free." Students received a pin with this slogan and were in search of two "keys to success" each day hidden around the school. Guest speaker, Scott Mason, provided first-hand accounts of the dangers of drugs and alcohol, and Marcia Koch provided multi-media information by presenting the Refuse, Remove, Reasons program. Students also participated in dress day themes to promote a drug free school.

Yearbooks

KMS yearbook order forms can be picked up in Mr. Bartlett's room. Expect flyers to be coming home next week with opportunities for students to purchase a yearbook. They can return the flyer or go online and order a yearbook. Email or call Mr. Bartlett with questions.

KMS Cheerleaders held Cheer for a Cure at a recent 8th grade football game and raised \$64 for Not By Choice.
