Kenton Middle School had approximately 120 students job shadow in the Kenton community and surrounding areas on Wednesday, November 28th. Job Shadowing is an opportunity for the 8th grade students to spend the day shadowing a career they find interesting. KMS had students shadowing careers

such as: veterinarians, teachers, engineers and professors. It's always excited to see our youth out in the community. KMS is proud of the support received from the

community and surrounding areas and from local establishments which allowed our students to participate in this event.

7th Grade News

Seventh grade students will be going to Camp Heartland in Marengo, Ohio on May 1-3, 2019. This year's trip will be open to all 7th graders with exceptions. We reserve the right to refuse to take any student whom we feel would not participate and behave properly based upon experience at school. Please support us and help us to emphasize the importance of academic responsibility and good behavior at school so that your child can enjoy the trip. Our goal is that every student will be able to experience this opportunity. We will be having an informational meeting on Wednesday, February 26, 2019 at 6:00 PM. The cost of the trip is \$155, and we will be having one fundraiser, a raffle, at the end of February. Each student will have the opportunity to sell raffle tickets and receive 100% of the profit. Thank you for your cooperation and support of our camp field trip!
