## 7th Grade News

The Camp Heartland raffle is underway and students are doing a great job selling tickets. All tickets and money are due on Friday, March 13, and winners will be notified on March 17. We would like to thank the following who donated prizes to our raffle: Quest FCU, Gammon's Tree Service, KMS PTO, Kenton Choral Boosters, Kenton Athletic Dept., Amy Long, Adrienne Smythe, Tiffany Vehrs and Mary Wormley. In addition, the final payment and online medical forms are due March 30.

## The Leader in Me at KMS

In January, Kenton Middle School launched their first ever Leader in Me Action Teams. Out of a list of 25+ choices, the student body selected interest areas for action teams that ranged from computer science and yearbook to crossfit and American sign language. At least one Kenton City Schools staff member serves as an advisor of each team, which is guided by at least two student leaders. Many community professionals are serving as advisors of these teams as well. Student leaders collaborate with advisors to develop leadership within themselves and determine what projects, within their interest areas, will develop their team's leadership abilities. Teams are meeting once per month to work on their projects, which will be showcased at a Leadership Fair in May. Students are working hard to make KMS and the surrounding community a better place! Action teams meet again on March 20th.
